

THE WORLD OF SPORT.

Liberal Proposition of a Wheeling Bowling Alley Proprietor.

SECOND BOWLING LEAGUE SEASON

May Start October 1—Baltimore Ball Club's Winning Streak is Broken at Cincinnati—Chicago Defeats Brooklyn—Sanger, the Great, is in Elegant Form Now—Late News of Sport and Athletics.

Interest in things bowlicular is quite pronounced, and inquiries as to the time of the opening of the second season of the Wheeling Bowling League are frequent. The boys will probably get together in a few days and reorganize for the coming season, which perhaps will start October 1. There are many new clubs that will apply for admission, and a twelve club league this season seems a certainty.

A bowling alley proprietor, speaking of the great interest taken in ten-pins in Wheeling, ascribed the increased interest within the past year to the fact that the league's first championship series attracted so much attention and enthusiasm. He added that this season the prizes to the winner of the pennant and second, third and fourth place clubs should be well worth contesting for, and proposed that the various bowling alley proprietors on whose alleys the league teams would play should each contribute a certain sum into the prize fund. The gentleman named was willing to contribute \$100 if the others would do equally or nearly as well. This is certainly liberality and enterprise.

SANGER IN FORM.

His Performances at Springfield—He Will Do Well Here Too.

The Springfield, (Mass.) Republican in its write up of Sanger who is entered in all of the Wheeling races next week, says of the speedy Milwaukee boy:

But the feature of the day was one only—Sanger—his success even eclipsing his great victory over Zimmerman the first day last year. Sanger, the sick man, who has been beaten repeatedly by boys this year along the various meetings of the circuit, comes back to Springfield again and stands for what he should be by virtue of his splendid physique, first, without a second. It has been an open secret all the year that Sanger was not in condition to ride, and his travelling and knocking about the country has made him worse and worse, until in the far west he was nowhere. Since he has come back to Springfield there has been a change, and in the short week he has been here his condition has rapidly improved, and he has gotten into the finest form of the year. As an example of his present ability, he is said to have done a flying quarter in 25 3/5 lately, which is certainly the best thing done this year in a short distance. He has, besides, since coming here increased his gear from 72 to 76, which is undoubtedly an aid to him, as his great strength and weight really demand it. He had ridden a 72 gear since last year, and the improvement in bicycles during the year has generally been considered as warranting an increase certainly as large as that.

WILLIAMS DISQUALIFIED.

Dillon and Arbenz Get Better Prices For Their Efforts.

George Williams, of Pittsburgh, who won the recent Buffalo-Pittsburgh bicycle road race, has been disqualified by Referee Myler, and first prize goes to Charles G. Wallin, of Erie; second to Louis Grimm, of Cleveland; fifth to Lester R. Dillon, of Wheeling, and sixth to John Arbenz, the other Wheeling rider. The charge filed against Williams was that he was conveyed in a wagon from Adamsville to Greenville. This charge was thoroughly investigated, after which the decision disqualifying Williams was rendered Saturday. Says Sunday's Pittsburgh Press of the affair:

"This decision, while it has been expected for some days by those on the inside, was only arrived at after the most thorough investigation. Williams rode a magnificent race and is to-day, beyond a doubt, the best long-distance rider in western Pennsylvania, and it was therefore no pleasant matter to disqualify him and thus practically debar him from all future races in this vicinity. It was the only thing to be done under the circumstances, however. Williams would almost certainly have won the race if he had ridden a square race, but by riding unfairly he not only lost this one event, but he has killed himself for all future races."

A Touring Party.

Yesterday a party of local knights of the knickerbockers toured to Steubenville and return, and spent a most enjoyable day, the roads being in first-class shape and the autumnal weather the ideal kind for wheeling. The party was composed of W. C. Gordon, H. C. Kennedy, C. P. Reid, Harry E. Hohman, E. W. Bingle and W. T. Sadler. They left the city at 8 a. m. and arrived in Steubenville at 10 o'clock, going via the river road through Wellsburg. After dining in the Ohio town, at the Imperial, where Mine Host Lowe couldn't do enough for the boys, they were escorted around by a delegation of Steubenvillians, headed by John Griffith and Frank Low. The return trip was made in good time, the arrival in Wheeling being at 7 p. m.

CINCINNATI DID THE TRICK.

Baltimore's Victorians Stopped After Eighteen Straight.

Baltimore holds the record for the number of straight victories won in base ball in 1894—eighteen. It began to look as though the Orioles were not going to lose a game in the west, but Cincinnati with Parrott in the box gave the leaders a taste of Old Hollow Eyed yesterday afternoon. Unless some unlooked for disaster overtook Hanlon's men they have a check on the pennant. They should win every remaining game of the western series.

Beaver Falls Wins.

BEAVER FALLS, Sept. 15.—The Beaver Falls football team of the state league and the Geneva college eleven opened the football season this afternoon at Junction park. The Geneva boys were not in the game at any stage, and the Beaver Falls crowd pushed them over the field almost at will. Heasley, Waxenfield and Lindall played an excellent game for Beaver Falls, while Johnson, Bell and McCloskey played well for Geneva. This evening the Beaver Falls boys gave a big supper to the defeated Geneva boys at the Y. M. C. A. rooms.

Amateur Sport.

The Rose Buds are open for games from any club in the Ohio valley under twenty-one years of age.

The foot ball season will be opened at Bridgeport next Saturday by a game between the Vigilants of Martin's Ferry and Etanville.

Martin's Ferry will play six games with Marietta this week, to-day, Tuesday and Wednesday at Marietta and Thursday, Friday and Saturday at Martin's Ferry.

The Junior Martin's Ferry-Y. M. C. A. team, composed of fifteen and sixteen year olds, will begin training to-day. This club will play the Vigilant Juniors September 20.

The Martin's Ferry base ball club leaves for Marietta this morning at 7 o'clock. The result of the games will be looked for with much interest as Marietta is a strong team and has beaten many good teams.

At Martin's Ferry on Saturday the home club defeated Bathany before a good sized crowd. The batterers were McCleary and Miller and Broseck and Booth. Score:

At Martin's Ferry on Saturday.

Martin's Ferry.....	5 0 1 2 3 4 0-16
Bathany.....	2 0 1 2 0 0 1-8

The George F. Dix "Rose Buds" base ball club held up its reputation yesterday afternoon by defeating the Athletics in a well played game, the features of the game being the pitching of Lucas for the Dix team, who struck out thirteen men. Score—Rose Buds 32, Athletics 3. Battery for Rose Buds, Lucas and Farrel; for Athletics, Nosemann and Goudy.

Lots of Interest.

A great deal of interest is being manifested in the coming tri-state field day of the Y. M. C. A., to take place on the Wheeling state fair grounds on September 21. The Claysville association, it is learned, in addition to the others on the list, is to be represented by twelve athletes, and the association of that place will run an excursion here on the day of the affair. It is expected one hundred will come.

MYSTERIOUS SUICIDE.

M. A. Bell Wrote the Announcement of His Own Death.

New York, Sept. 16.—A man about forty years of age, who registered at the New York Hotel, Broadway, opposite Bond street, on Friday night, as M. A. Bell, Cleveland, Ohio, was found dead in his room this morning. He had committed suicide by shooting himself in the head. A revolver lay in the bed beside him. There was nothing to tell why the man put an end to his life, but this telegram was found on the table in the room:

"To George C. Bell, 513 Euclid Avenue, Cleveland, Ohio.
"I am dead. What shall they do with my carcass?"
(Signed) "M. A. BELL."
The only luggage the suicide had was an ordinary "telescope" bag. A considerable amount of money, and jewelry and gems to the value of \$4,000.

MARTIN'S FERRY.

Haps and Mishaps in the Thriving City Across the River.

On Saturday night council rejected the street commissioner's bill of \$57 for work done in August, because he was not instructed to do any of the work done. He was instructed to work upon the bridges on Seventh, Center and Catawba streets. City Solicitor J. S. Cochran was authorized to defend Martin's Ferry in the suit of ex-City Solicitor H. G. Pratt vs. the city for back pay and to set up any counter claim and demand any money which may be found due the city from Mr. Pratt.

BELLAIRE.

All Sorts of Local News and Gossip from the Glass City.

There were two large funerals in this city yesterday afternoon, that of John Kilgore, the battle-scarred veteran, was attended by the members of Spangler Post, G. A. R. and many citizens who turned out to pay a last tribute of respect to one whose strength had been spent in defense of his country. The other, that of George L. Baroes, was attended by representatives of all the bands in the city, he having been a musician as well as a genius in the glass business in his day. Both were laid to rest with appropriate services.

Last year the city council passed an ordinance providing for the removal of \$25,000 water works improvement bonds and placing them so that \$3,000 fell due this month and \$2,000 each year following until all are paid. The water trustees met the first three thousand out of the receipts from the works. A previous board paid \$5,000 of improvement water bonds. The original debt of \$100,000 still stands, with the \$22,000 improvement bonds.

Mayor DuBois has very sensibly concluded not to bring any more cases against saloon men on the unsupported evidence of the detectives. A few men reported by the detectives, paid, prompted perhaps by guilty knowledge, and because it was cheaper than to contest the cases, but in not a single instance did they have a clear case.

Rev. D. W. Chandler held appropriate services in the First M. E. church yesterday, incident to the close of the year, and this week he and Rev. William Poregoy will attend the meeting of the conference at Warren, O.

The lecture course committee is afraid to shoulder the responsibility for a course the approaching winter and decided not to give it. They will give a concert on Friday evening, September 28, however.

The enrollment of pupils in the schools here fell off the first week as compared with last year from 1,472 to 1,424.

The theatre here will be opened Thursday evening by Archie Boyd in "A Country Squire."

But Pearlina—never.

There's no fault to be found with it. Woman's hardest work is washing and cleaning in the old way. Pearlina makes a new way—an easy one. It's a way that millions of women have adopted, and are thankful for. It's a way that saves clothes as well as strength. It puts a stop to the wearing rub, rub, rub on the wash-board. It's a safe way, too—over and over again it has been proved so.
